OVERVIEW

I am Amir Mohammad Zangi Abadi, a programmer with a passion for web development. My expertise lies in the analysis, design, and implementation of web programs. Quality, along with speed, is crucial to me.

PROFESSIONAL EXPERIENCE

FRONT-END DEVELOPER AT ARNAAP KERMAN 2022-PRESENT

As a front-end developer at Arnaap Kerman, I specialize in designing and implementing web user interfaces using cutting-edge technologies like Next.js. My expertise extends to creating native apps with Next.js as well. I focus on crafting fast, user-friendly interfaces while ensuring seamless experiences across different platforms.

KEY RESPONSIBILITIES AND ACHIEVEMENTS:

- DEVELOPED AND MAINTAINED FRONT-END COMPONENTS FOR MISSION-CRITICAL APPLICATIONS, OPTIMIZING PERFORMANCE AND USABILITY.
- COLLABORATED WITH DESIGNERS AND BACKEND ENGINEERS TO IMPLEMENT INTERACTIVE FEATURES AND ENHANCE USER ENGAGEMENT.
- IMPLEMENTED RESPONSIVE DESIGN PRINCIPLES TO ENSURE COMPATIBILITY WITH VARIOUS SCREEN SIZES AND DEVICES.
